Lucky Girl by Amanda Maciel Goodreads Share book

Lucky Girl is an important young adult novel that explores sexual assault. In addition to this, the author touches upon self esteem and how far one may go in order to be popular. Both of these themes and more make the story stand out and I hope many will consider reading it.

Lucky Girl Lucky Alphas by Mallory Crowe NOOK Book

Lucky Girl is a great read. The book doesn't do much to advance the underlying mystery from book one but it does serve to pair Harper Sloan and Lucas Stone together in this enjoyable romance.

Lucky Girl Workman Publishing

Cut with historical detail and touching accounts of Mei-Ling's "real" family, the Hopgoods, Lucky Girl is a refreshingly upbeat take on dealing with the pressures and expectations of family, while remaining true to oneself. Simple, to the point and uncluttered of the everyday minutiae, Mei-Ling Hopgood nails the concept of becoming one's own.
