Stella Bain by Anita Shreve

Anita Shreve was once my favorite author, but her last few books were big disappointments for me. I was really looking forward to Stella Bain because of the subject and time period. It was pretty good; I would give it 3 1/2 stars. It is a small book and quick read. I enjoyed the story very much, and was drawn in right from the start.

Stella Bain by Anita Shreve Paperback Barnes Noble

Stella Bain by Anita Shreve is an interesting book that holds your attention. In it the author tells the story of a woman who loses and regains everything life holds precious to her. However, it is almost too difficult to believe the situations the woman finds herself in given the period in history the book supposedly takes place.
