Popularity Wikipedia

The term Popularity is borrowed from the Latin term popularis, which originally meant "common." The current definition of the word popular, the "fact or condition of being well liked by the people", was first seen in 1601. While popularity is a trait often ascribed to an individual, it is an inherently social phenomenon and thus can only be understood in the context of groups of people.

Why attribution is important even especially on Tumblr

Not long ago, I saw a reference on Twitter to a clever illustration of either Wolverine or two Batmans looking at each other. I clicked through to a Tumblr page, where someone had reblogged it from someone else on Tumblr, who had reblogged it from someone else, and so on.. I wanted to send a quick note of appreciation to the artist, and have a look at some of her or his other work.
