Stranger Danger The Reluctantly Written but Absolutely

I ordered this book for my 2year old as an introduction to the concept of stranger danger/acquaintance danger. The book is an excellent tool to begin familiarizing toddlers with that concept, and the pictures and rhyme-format of the text holds her attention for the whole book.

Books about the Tough Stuff Stranger Safety Safe Touches

I suggest using these books as a springboard for your own family discussions. The books themselves will do little good unless there is follow-up afterwards. Stranger Safety. I've never liked the term stranger danger, even as catchy as it is to say and remember.

10 Books About Safety for Children Mary Carver

Last summer I decided that Annalyn needed to learn about stranger danger and good touch/bad touch before entering kindergarten. So I did what any book nerd does: I checked out and bought two dozen books on the subjects.

How to talk to your child about interacting with strangers

"If you get separated, you want them to have clear, simple rules to follow so they're less at risk," says Sherryll Kraizer, executive director of Coalition for Children and author of The Safe Child Book. When you're talking about strangers, keep in mind that despite sensational media coverage, stranger abductions are extremely rare.
