Storm Front Virgil Flowers 7 by John Sandford

'Storm Front' was another disappointment from John Sandford. I'm a faithful reader of Sandford, but he obviously peaked out with the Lucas Davenport Prey series. In my humble opinion, the storyline is loose and the characters incorporated haphazardly.

Storm Front Virgil Flowers Series 7 by John Sandford

The decline in John Sandford novels continues with Storm Front. There are consistent differences in the various Sandford series: Davenport hunts killers; Kidd uses technology to fight corporations and government; Virgil tries to outsmart criminals and this book continues that tradition.

Storm Front by John Sandford on Apple Books

I truly enjoyed Storm Front as another Flowers adventure but what I liked most was the development of the character 'Ma' Nobles. She is perfect as an ongoing character to give another dimension to Virgil's life. I only hope that author John Sandford will keep the character alive in Virgil's world. I can't wait for the next Flowers novel.

STORM FRONT by John Sandford Kirkus Reviews

Saturn Run, John Sandford's new novel, is quite a departure for the bestselling thriller writer, who sets aside his Lucas Davenport crime franchise (Gathering Prey, 2015, etc.) and partners with photographer and sci-fi buff Ctein to leave Earth's gravitational field for the rings of Saturn. The year is 2066.
