Love Language The 5 Love Languages of Children iMom

For children who understand this love language, physical touch will communicate love more deeply than will the words, I love you, or giving a present, fixing a bicycle, or spending time with them. Of course, they receive love in all the languages, but for them, the one with the clearest and loudest voice is physical touch.

Communicating in Your Child's Love Language liveabout com

Children who have Acts of Service as a love language will best appreciate your doing little things for them. If they dislike doing the dishes, get up and do the dishes, and tell her that you love her while you do it.

Your Child's Love Language Focus on the Family

Each of these expressions of love represents a different "language." Gary Chapman introduced this concept in his book The Five Love Languages and later in The Five Love Languages of Children, which he co-authored with Dr. Ross Campbell. I spoke with Chapman about how his ideas can help parents transform their relationships with their children.

The 5 Love Languages of Children by Gary Chapman Ross

In The 5 Love Languages of Children, Dr. Gary Chapman and Dr. Ross Campbell apply Chapman's popular

concept of the five love languages to the parent-child relationship. Each of the five love languages is explained and examples are given of how to use (and how not to use) a child's love language.
