RELATED BOOK :

The Brand Gap How to Bridge the Distance Between Business

THE BRAND GAP is the first book to present a unified theory of brand-building. Whereas most books on branding are weighted toward either a strategic or creative approach, this book shows how both ways of thinking can unite to produce a charismatic brand a brand that customers feel is essential to their lives.

The Brand Gap SlideShare

@Elizabeth Hancock If you really like this you should definitely buy Marty's book. The book is small and you can read it in one weekend (which was his purpose), it gives you a good idea about how branding works.

However, keep in mind that this book only explains 'what is important' and not 'how one would accomplish that'.
