Insomnia Audiobook by Stephen King Audible com

I love this book, but the music nearly killed it I have read Insomnia twice before and I love the story. This is the first time I've listened to the audio performance, and while the narration itself is very good, the music that pops up at exciting or emotional moments almost made me quit listening several times.

Insomnia by Stephen King Paperback Barnes Noble

Unfortunately, Insomnia is one of Stephen King's books that I like the least. For the first 200 pages or so all we know is that Ralph is waking up a few minutes earlier each night. The book just sort of meanders along with no real plot or driving narrative.
