### **Have You Been Seeing Black Cats What The Black Cat**

Throughout history, many people have been superstitious about black cats in particular, and will avoid them whenever they see them. If you are thinking this is just a silly superstition and people don't actually believe that black cats are bad luck, then you should know that they are the least likely to be adopted from an animal shelter.

### **Cat Wikipedia**

The domestic cat is a member of the cat family, the felids, which are a rapidly evolving family of mammals that share a common ancestor only 10 15 million years ago and include lions, tigers, cougars and many others.

Within this family, domestic cats (*Felis catus*) are part of the genus *Felis*, which is a group of small cats containing about seven species (depending upon classification scheme).
