Historical fiction Wikipedia

Historical fiction is a literary genre in which the plot takes place in a setting located in the past. Although the term is commonly used as a synonym for the historical novel, it can also be applied to other types of narrative, including theatre, opera, cinema and television, as well as video games and graphic novels.. An essential element of historical fiction is that it is set in the past

Historical Fiction 10 Editing Tips No 10 Feigning Accuracy

I agree with you both: although I am speaking here as a reader rather than a writer of fiction. I read a lot of books set in Britain written by Americans, and whilst many are well-researched or written by people who have visited the country and the places they write about, sometimes its clear that the authors have never set foot in the British Isles, or met many British people.
