I loved! Loved! Loved! Identity Theft. Ron Cantor has written a beautifully illustrated book about the true Jesus of the Bible, as seen from the eyes of a Jew who wants to seek truth, period. I mostly read non fiction books, especially about Jesus and Christianity because I am very picky about sound Biblical theology.

Identity Theft by Anna Davies Goodreads Share book

Book Blog For: GMTA Review: "Identity Theft" by Anna Davis was a read with action, many surprises and in the end a suspenseful thriller mystery read. Even though I found the plot of this novel somewhat predictable it still was a written well by this author. I think the teens and young adults may identify more with the read.
