### **Language and gender Wikipedia**

Research into the many possible relationships, intersections and tensions between language and gender is diverse. It crosses disciplinary boundaries, and, as a bare minimum, could be said to encompass work notionally housed within applied linguistics, linguistic anthropology, conversation analysis, cultural studies, feminist media studies, feminist psychology, gender studies, interactional

### **Territoriality nonverbal communication Wikipedia**

Territoriality is a term associated with nonverbal communication that refers to how people use space to communicate ownership or occupancy of areas and possessions. The anthropological concept branches from the observations of animal ownership behaviors. Personal space can be regarded as a bubble with a person at the center, forming an area which the person does not wish to be invaded.

### **What Causes Gender Inequality Analytical Strategies**

This guide stresses the systematic causal analysis of gender inequality. The analytical questions raised and the readings listed consider why and how gender inequality arises, varies across and within societies, persists over generations, produces conformity by individuals and institutions, resists change, and sometimes changes dramatically.
