Secret history Wikipedia

A secret history is a revisionist interpretation of either fictional or real history which is claimed to have been deliberately suppressed, forgotten, or ignored by established scholars. "Secret history" is also used to describe an alternative interpretation of documented facts which portrays a drastically different motivation or history from established historical events.

The Secret History of the World Repairmanjack com

Some of this secret history has been revealed in the Adversary Cycle, some in the Repairman Jack novels, and bits and pieces in other, seemingly unconnected works. Taken together, even these millions of words barely scratch the surface of what has been going on behind the scenes, hidden from the workaday world.
