The Call is a book that I'll have on my mind for quite some time- more horror than anything else and quite a gruesome tale the author tells. With a 1 in 10 chance of survival in this book- the odds are truly against you. The book was extremely fast-paced, - I would have loved to see more character development but it's still really good.

### **The Call of the Wild Book Review Common Sense Media**

THE CALL OF THE WILD is a great work of literature; there can be no doubt. Written in a style that is at once muscular and poetic, it is both an adventure story and a meditation on civilization versus savagery, with savagery clearly having more appeal to the author.
