Nicholas Sparks The Longest Ride

The story for The Longest Ride really began when I learned about Black Mountain College. I had been struggling to find something that excited me for my next novel when I came across a reference to the college online. I was, to understate it, greatly captivated: that an isolated college in my home state of North Carolina was so influential to the American art scene seemed so unlikely that I

Longest English sentence Wikipedia

There have been several claims for the longest sentence in the English language, usually with claims that revolve around the longest printed sentence, because there is no limit on the possible length of a written English sentence.. At least one linguistics textbook concludes that, in theory, "there is no longest English sentence." A sentence can be made arbitrarily long by successive

Longest word in English Wikipedia

The identity of the longest word in English depends upon the definition of what constitutes a word in the English language, as well as how length should be compared. In addition to words derived naturally from the language's roots (without any known intentional invention), English allows new words to be formed by coinage and construction; place names may be considered words; technical terms may
