Habits of the Heart Individualism and Commitment in

First published in 1985, Habits of the Heart continues to be one of the most discussed interpretations of modern American society, a quest for a democratic community that draws on our diverse civic and religious traditions. In a new preface the authors relate the arguments of the book both to the current realities of American society and to the growing debate about the country's future.

Blog Wikipedia

A blog (a truncation of the expression "weblog") is a discussion or informational website published on the World Wide Web consisting of discrete, often informal diary-style text entries (posts). Posts are typically displayed in reverse chronological order, so that the most recent post appears first, at the top of the web page. Until 2009, blogs were usually the work of a single individual
