Quilt Wikipedia

A quilt is a multi-layered textile, traditionally composed of three layers of fiber: a woven cloth top, a layer of batting or wadding, and a woven back, combined using the technique of quilting, the process of sewing the three layers together.. The pattern of stitching can be the key decorative element if a single piece of fabric is used for the top of a quilt (a "wholecloth quilt"), but in

Mommy by day Crafter by night Quilted Suitcase Tutorial

For this case, I used a Quilt As You Go method for making my pattern pieces (just like I do in my Weekender Bags).I learned the technique from Elizabeth of Oh Frannson. She has a fabulous tutorial if you are not sure how to do this (just click to the link above). The only thing that I did different for this bag, was I substituted and used fusible peltex instead of quilt batting which resulted
