An Illustrated Book of Bad Arguments Official Site

I love this illustrated book of bad arguments. The literature on logic and logical fallacies is wide and exhaustive. This work's novelty is in its use of illustrations to describe a small set of common errors in reasoning that plague a lot of our present discourse.

Book Shelf Logical Fallacies The Fallacy Files

Review: This book is the closest thing to an encyclopedia of logical fallacies to have been published, and it is a shame that it has gone out of print. There are 83 fallacies arranged in alphabetical order, and a standard classification in the back.

The Book of Fallacies Jeremy Bentham Oxford University

The present edition of The Book of Fallacies is the first that follows Bentham's own structure for the work, and includes a great deal of material, both in terms of the fallacies themselves and the illustrative matter, that previous versions of the work have omitted.

Logical Fallacies of the Big Book AA Agnostica

Apart from the logical fallacies contained in Bill s thinking, and argument in the Big Book, and the utter failure of any arguments for the existence of God, either classical or modern, there is another matter that is often overlooked, and which, perhaps one that is all to in the face in AA meetings.
