Jewels of the Sun Gallaghers of Ardmore 1 by Nora Roberts

(4.5 stars) Jewels of the Sun was an absolutely fantastic read. This is the first Nora Roberts book I've read, since I've always preferred historical romance over contemporary and have tended to avoid Nora Roberts and Danielle Steel like the plague.

From the first page of the book Jewels of the Sun is reminiscent of a typical romance, but the further I read, the more it becomes a kind of fairy tale for adults, because in the center of events all invariably lie the relationship between a man and a woman.

Jewels of the Sun Book by Nora Roberts Audio Book CD

I really enjoyed reading Jewels of the Sun and I especially liked the lively description of Ardmore- the town, the people and of course, the fairies. Very well-written and romantic, you don't want to miss this book and its sequels: Tears of the Moon and Heart of the Sea.
