27 Easiest Woodworking Projects For Beginners

When I first started woodworking, I had a sawzall, a palm sander, a miter saw (if I'm feeling fancy) and some random hand-tools someone gave me as a house-warming present. I literally couldn't do complex woodworking if I wanted to.. I am fortunate for those humble beginnings. It really forced me to learn the basics of woodworking by finding the simplest projects I could think of.
