The War of the Worlds by H G Wells Goodreads

Community Reviews. The War of the Worlds is one of those science-fiction books that are full of contemporary fears - it is a pre World War One invasion fantasy like The Riddle of the Sands but with the German army transformed into the Martians. Zeppelins and U-Boats transformed into striding tripods and heat rays.

The War of the Worlds Summary Shmoop Homework Help

Wells' narrator jumps from talking about the whole world, to talking about himself, to talking about what his brother's been up to. Don't say we didn't warn you. The book starts with the narrator mentioning that the people of Earth never expected Martians to attack (understandable).

The War of the Worlds Book 1 Chapter 1 The Eve of the War

The Eve of the War. And we men, the creatures who inhabit this earth, must be to them at least as alien and lowly as are the monkeys and lemurs to us. The intellectual side of man already admits that life is an incessant struggle for existence, and it would seem that this too is the belief of the minds upon Mars.
