

THE STORY OF THE HUMAN BODY

RELATED BOOK :

The Story of the Human Body Evolution Health and

The Story of the Human Body does full justice to those stories, to that evidence and to that detail, and brings them to bear on daily health and well-being, individual and collective. The Washington Post [Lieberman] is a true expert in a system where architecture and history intersect: the human foot.

The Story of the Human Body Evolution Health and

The Story of the Human Body reads like a series of lectures for a college class. There are straight ahead facts mixed with occasional jokes and analogies along the way. This isn't the deepest or best written piece of science writing, but it does cover a decent amount of interesting ground.
