### **California Gold Rush Wikipedia**

The California Gold Rush (1848 1855) began on January 24, 1848, when gold was found by James W. Marshall at Sutter's Mill in Coloma, California. The news of gold brought approximately 300,000 people to California from the rest of the United States and abroad. The sudden influx of gold into the money supply reinvigorated the American economy, and the sudden population increase allowed

### **Gold rush Wikipedia**

A gold rush is a new discovery of gold sometimes accompanied by other precious metals and rare earth minerals that brings an onrush of miners seeking their fortune. Major gold rushes took place in the 19th century in Australia, New Zealand, Brazil, Canada, South Africa and the United States, while smaller gold rushes took place elsewhere.
