Muhammad and the Believers At the Origins of Islam

The origins of Islam have been the subject of increasing controversy in recent years. The traditional view, which presents Islam as a self-consciously distinct religion tied to the life and revelations of the prophet Muhammad in western Arabia, has since the 1970s been challenged by historians engaged in critical study of the Muslim sources.

Muhammad

Muhammad was born in Mecca approximately 570 C.E. and was a member of the Quraysh tribe. As with Moses and Jesus, we know little about his childhood. His parents died when he was young, and he never learned to read or write. When he was 12, he visited Syria and had his first exposure to Jews and Christians and apparently developed a respect for these "People of the Book."
