The Grace of Silence bookbrowse com

Extraordinary for Norris's candor in examining her own racial legacy and what it means to be an American, The Grace of Silence is also informed by rigorous research in its evocation of time and place, scores of interviews with ordinary folk, and wise observations about evolving attitudes, at once encouraging and disturbing, toward race in America today. For its particularity and universality, it is powerfully moving, a tour de force.

A Grace of Silence Andrew Flewelling This I Believe

I believe in silence. Growing up in Wellesley, Massachusetts, my playground was the small stone church where my father was minister. I remember riding my big wheel tricycle silently down the blue-carpeted center aisle and that the perfect refuge for hide-and-go-seek was under the altar cloth.

The Grace of Silence A Family Memoir by Michele Norris

Michele Norris's book, The Grace of Silence: A Family Memoir, provides insight into the lives of her remarkable family. It has been said that in order to know where one is going one has to know where they came from. Even though the author knew her family well, it is what she didn't know about them that is the basic foundation of the book.

Grace in Silence Philip Yancey

In the end, Silence is about God's grace for the undeserving, which includes us all. The reviewer on RogerEbert.com gave the film four out of four stars, saying, Silence is a monumental work, and a punishing one.

Book review 'The Grace of Silence A Memoir' by Michele

"The Grace of Silence's" meticulous re-creation of the historical record has much to offer to today's national conversation on race. But its flaw is that Norris is unable to confidently ascribe meaning to much of what she discovers.
