### **Introduction to Mass Communication Media Literacy and**

Introduction to Mass Communication: Media Literacy and Culture is an integrated program that encourages students to be active media consumers and gives them a deeper understanding of the role that the media plays in both shaping and reflecting culture. Through this cultural perspective, students learn that audience members are as much a part of the mass communication process as are the media

### **Mass media Wikipedia**

The mass media is a diversified collection of media technologies that reach a large audience via mass communication. The technologies through which this communication takes place include a variety of outlets. Broadcast media transmit information electronically, via such media as film, radio, recorded music, or television. Digital media comprises both Internet and mobile mass communication.
