Why Employee Performance Appraisal Just Doesn't Work

Second only to firing an employee, managers cite performance appraisal as the task they dislike the most. This is understandable given that the process of performance appraisal, as traditionally practiced, is fundamentally flawed. The process is hurtful and demeaning and both managers and employees avoid these conversations.

Master Performance Review Self Assessments Smartsheet

What Is a Performance Review? Before there were employee self-assessments, there were performance reviews. A performance review, also known as a performance evaluation, employee appraisal, or career development discussion, is a way to document and evaluate your job performance. It s also an important process to develop staff to meet organizational and personal career goals.
