

BOOKS ABOUT THE STATUE OF LIBERTY

RELATED BOOK :

Liberty's Torch The Great Adventure to Build the Statue

With all the problems the sculptor of the Statue of Liberty had raising money to pay for the statue, the book became tedious to read. The sculpture of the statue is a great achievement. The construction of the statue was interesting, but you'd have to love reading history to enjoy the book.

What Is the Statue of Liberty by Joan Holub Goodreads

Community Reviews. The statue of liberty was a good book because the statue was the tallest man made statue in new York. The statue was so tall you could see all of new York city. The statue was made all around the world in different pieces. The reason why they had to do that is because they didn't have enough material to build it in the same place.

The Story of the Statue of Liberty Rise and Shine Betsy

Great book for kids to learn about the Statue of Liberty. My son was interested in learning what, when and how the statue came about after seeing it as we passed on a road trip. Very informative and a great read for 7 year old.
