Book Review 'The Myth of the Rational Market' by Justin Fox

One presumes from the title of Justin Fox's "The Myth of the Rational Market" that he has come to bury, not to praise. And certainly, the opportunity for such an undertaking is rich.

The Myth of the Rational Market By Justin Fox

Fox's The Myth of the Rational Market tells the story of how we came to believe that financial markets knew best, and how that belief steered us wrong. Chronicling the rise and fall of efficient market theory and its century-long role in the making of the modern financial industry, the book is both history and intellectual whodunit.
