DC Circulator Wikipedia

The DC Circulator is a bus system in Washington, D.C. The District of Columbia Department of Transportation, the Washington Metropolitan Area Transit Authority, and DC Surface Transit operate the service in a public-private partnership with RATP Dev, although it has been proposed that the District of Columbia Department of Transportation operate the Circulator directly.

DC Circulator ddot

The DC Circulator's distinct red buses are unlike any other public transit around town - with low floors, big windows, and multiple doors for easy on-and-off service. Also, passengers don't need a bus schedule. The Circulator comes every 10 minutes and each ride only costs \$1.
