Skin Deep by Liz Nugent Share book recommendations with

I found Skin Deep utterly compelling, despite my intense dislike of the cold, calculating, narcissistic main character, Delia. The book opens with a gruesome murder scene, and then goes back to when the outwardly beautiful Delia was a young girl. I don't usually like this device, but it really works here.

Legion Skin Deep Audiobook by Brandon Sanderson

I got the "first" book -- Skin Deep -- free from Audible and realized within fifteen minutes of listening that I needed -- and would enjoy -- Book 1 of the series, "Legion". The main character is unique in all I've read, and Sanderson does a great job with the gifts and the tensions and tells a good story in the meantime.
