

EDITING YOUR BOOK

RELATED BOOK :

Editing Wikipedia

Editing is the process of selecting and preparing written, visual, audible, and film media used to convey information. The editing process can involve correction, condensation, organization, and many other modifications performed with an intention of producing a correct, consistent, accurate and complete work.

Help Editing Wikipedia

Editing most Wikipedia pages is quite simple. Wikipedia uses two methods of editing: classic editing through wiki markup (wikitext) and through a new VisualEditor (VE). Wiki markup editing is chosen by clicking the Edit tab at the top of a Wikipedia page (or on a section-edit link). This will take you to a new page containing the editable contents of the current page.

How Should You Charge for Freelance Editing

This was a very timely post for me! Question, how are you providing your editing remarks to your clients. I use track changes and comments in word to mark up their original Word doc and I also provide a clean edit version so they can read how it flows without being interrupted by the mark-ups.
