Fall of the Western Roman Empire Wikipedia

The Fall of the Western Roman Empire (also called Fall of the Roman Empire or Fall of Rome) was the process of decline in the Western Roman Empire in which the Empire failed to enforce its rule, and its vast territory was divided into several successor polities. The Roman Empire lost the strengths that had allowed it to exercise effective control over its Western provinces; modern historians

that meanwhile had preserved and protected the heritage of the Empire. When we realize how much was preserved, in literature, art, and institutions, at Constantinople from the soi disant "Fall of Rome," it helps us realize how much Mediaeval Romania was, indeed, still the Roman Empire, just as they tell us.. In an age when the politically correct absurdly fall all over themselves to say
