RELATED BOOK :

The Haunted Hotel A Mystery of Modern Venice by Wilkie

The Haunted Hotel is a short ghost story/mystery concerning the death of Lord Montbarry and the strange occurrences that happen at his palace of residence in Venice which is converted into a hotel after his death. This novella skips a lot of the description and detail that is found in his longer and more famous works.

The Haunted Hotel appears to be loosely based on a case from the annals of French crime; the scene, scenery, players and conflicts, and especially the horror, come straight from Collins overstimulated, no doubt overwrought, most certainly haunted imagination.
