Children composition Wikipedia

Background and writing. Miles gave two inspirations for the writing of "Children". One was as a response to photographs of child Yugoslav war victims that his father had brought home from a humanitarian mission in the former Yugoslavia; and the other, inspired by his career as a DJ, was to create a track to end DJ sets, intended to calm rave attendants prior to their driving home as a means to

Daniel Levitin How to stay calm when you know you'll be

You're not at your best when you're stressed. In fact, your brain has evolved over millennia to release cortisol in stressful situations, inhibiting rational, logical thinking but potentially helping you survive, say, being attacked by a lion. Neuroscientist Daniel Levitin thinks there's a way to avoid making critical mistakes in stressful situations, when your thinking becomes clouded -- the
