List of books and articles about Classroom Management

Another issue related to classroom management is discipline, one of the most serious problems that schools face in the beginning of the 21st century. In her book *Schoolwide and Classroom Discipline* (1990) Kathleen Cotton estimates that discipline takes up half of the teachers' time in classrooms, while the other half is used for instruction. However, the matter of discipline depends not only on classroom management but also on effective school management.
