### **Parenting styles Wikipedia**

According to a literature review by Christopher Spera (2005), Darling and Steinberg (1993) suggest that it is important to better understand the differences between parenting styles and parenting practices: "Parenting practices are defined as specific behaviors that parents use to socialize their children", while parenting style is "the emotional climate in which parents raise their children".

### **Ten Keys to Successful Parenting Positive Parenting**

Ten Keys to Successful Parenting. Parenting is an important job and it's key that we discipline in a way that teaches responsibility by motivating our children internally, to build their self-esteem and make them feel loved. If our children are disciplined in this respect, they will not have a need to turn to gangs, drugs, or sex to feel powerful or belong.
