5 New Books that Show the Future of Military Sci Fi The

The Human Division / The End of All Things, by John Scalzi I'm going to split off Scalzi's latest installments of his best-selling Old Man's War series. Stylistically and thematically, The Human Division was an interesting addition to the series. Split into individual sections that were originally released serially, the book is a collection of short works that make up a larger whole.

25 Best Science Fiction Books for Kids The Best Sci Fi Books

There s nothing quite like corrupting the innocent minds of kids, and science fiction is the best gateway storytelling out there. Yes, better than fantasy (and I ve got my own well-read copy of The Silmarillion, so any haters can chill).. The books listed here are generally for kids aged from two to twelve, but the age ranges are just suggestions, and most of these are fun for adults to

Fantasy Wikipedia

Fantasy is a genre of speculative fiction set in a fictional universe, often without any locations, events, or people referencing the real world. Its roots are in oral traditions, which then became literature and drama. From the twentieth century it has expanded further into various media, including film, television, graphic novels and video games.
