The United States of Atlantis (Roc, December 2, 2008) is the second novel in Harry Turtledove's Atlantis series. The United States of Atlantis abandons the novella-collection format of Opening Atlantis in favor of a full-length novel dealing exclusively with the Atlantean War of Independence, covering a three-year period.

The United States of Atlantis Atlantis 2 by Harry

I thought The United States of Atlantis was an interesting alternate history of the American Revolution. I thought it was interesting that Turtledove chose to retain the names of the places and people that lived in Europe during the time, but created names for the Atlantean patriots and based them upon American Revolution figures.
