

DAVID COPPERFIELD AUDIOBOOK

RELATED BOOK :

David Copperfield Audible Audiobook by Charles Dickens

Richard Armitage does an incredible job of narration especially with the character's voices. Listening to him is a joy. There are many excellent narrators of audio books, but the consistent quality of Armitage's work of over 36 hours of David Copperfield ranks this as the best narrated audio book I have ever listened to.

David Copperfield Audiobook by Charles Dickens Audible com

David Copperfield is a favourite of mine and this audio version definitely does it justice. The narrator has an understated style but still does a fantastic job of bringing all of Dickens's characters to life.
