Jane Austen Collection by Jane Austen Goodreads

Jane Austen was an English novelist whose works of romantic fiction, set among the landed gentry, earned her a place as one of the most widely read writers in English literature, her realism and biting social commentary cementing her historical importance among scholars and critics.

Jane Austen Seven Novels Barnes Noble Collectible

This is a great collection for Jane Austen readers! It is a wonderful collection book and very attractive. My only complaint has not to do with the writing but the font of the book (which is why I did not give it 5 stars). The print is very small and I had to buy reading glasses for the first time.
