FLIRTING WITH BOYS is a fun summer read. Ms. Abbot does a great job painting the scenes and it feels like you're there right along with Celeste at the resort. Celeste, for the most part is a very likable character, and I really liked watching her struggle with Nick, her summer boyfriend from years past.

Flirting with Boys by Hailey Abbott Paperback Barnes

I loved this book. It's a great summer romances that makes you feel the heat of the sun and it's filled with drama, boys, and having a good time. The covers of Hailey Abbott's books are always eye catching and fun. Although the cover of Flirting with Boys doesn't really match the story or the characters.
