The One Year Chronological Bible NIV Kindle edition by

To give you a more historical perspective, the Scriptures in The One Year Chronological Bible have been arranged in chronological order. What is chronological order? Chronological order is the order in which the events occurred in time. In The One Year Chronological Bible, all Scripture is arranged according to the time sequence of the events. The return of the Israelites from captivity, therefore, comes after the earlier prophets and Daniel, rather than before them.
