### **Fab Book The One Hundred by Nina Garcia College Fashion**

Nina Garcia. Pro's. One of my favorite things about The One Hundred is that Nina makes it clear it's HER list - she's not telling you what you must buy, she's listing the items she recommends. The book encourages you to develop your own style, and even make your own One Hundred list. I agree with that idea 100% - you shouldn't follow the book to a T.
