Altar Wikipedia

An altar is a structure upon which offerings such as sacrifices are made for religious purposes. Altars are found at shrines, temples, churches and other places of worship. They are used particularly in Christianity, Buddhism, Hinduism, Shinto and Taoism. Judaism used such a structure until the destruction of the Second Temple. Many historical faiths also made use of them, including Roman, Greek

7 DAYS MIDNIGHT PRAYERS AGAINST SATANIC ALTARS

The fire of God has the capacity to pull down the structure and altar of the father's and mother's house. The fire of God is the only formidable power that can shake altars and destroy its foundation. Every child of God must possess the raw fire of the Holy Ghost in order to destroy satanic altars holding them in bondage.
