First Ladies An Intimate Group Portrait of White House

Unlike most books about First Ladies, this book was not mini biographies. I would say this book was more about the unofficial office of the wives of our Presidents, that is now referred to as First Lady. The book tells how different First Ladies have perceived their role, and when about performing the tasks they saw as theirs.

List of First Ladies of the United States Wikipedia

The First Lady of the United States is the hostess of the White House. The position is traditionally filled by the wife of the President of the United States, but, on occasion, the title has been applied to women who were not presidents wives, such as when the president was a bachelor or widower, or when the wife of the president was unable to fulfill the duties of the First Lady herself.
