Digital marketing Wikipedia

Digital marketing is the marketing of products or services using digital technologies, mainly on the Internet, but also including mobile phones, display advertising, and any other digital medium.. Digital marketing's development since the 1990s and 2000s has changed the way brands and businesses use technology for marketing. As digital platforms are increasingly incorporated into marketing

What is a business definition and meaning

An organization or economic system where goods and services are exchanged for one another or for money.. Every business requires some form of investment and enough customers to whom its output can be sold on a consistent basis in order to make a profit.. Businesses can be privately owned, not-for-profit or state-owned. An example of a corporate business is PepsiCo, while a mom-and-pop catering
