Blood tears and folly Open Library

Despite the volumes written about World War II, many questions remain un-answered. In this balanced and thoughtful chronicle, historian and World War II expert Len Deighton dares to explore intriguing questions, including why the British weren't more prepared for the Blitz and why Hitler failed to thoroughly support his U-boat program.

Blood Tears and Folly An Objective book by Len Deighton

Blood, Tears, and Folly by Len Deighton is described by the publishers as an "objective look at World War II", in fact the claim appears in the title. Whether it is totally objective is debatable, but it provides the reader with some fascinating, sometimes humorous, insights into the motivations and capabilities of the leaders on both sides.

Blood Tears and Folly An Objective Look at World War II

Drawing on the author's deep understanding of military life and the strengths and frailties of politicians and generals, this is a myth-puncturing analysis of the advent of the Second World War. Blood, Tears and Folly offers a sweeping and compelling historical analysis of six theatres of war: the Battle of the Atlantic, Hitler's

BLOOD TEARS AND FOLLY by Len Deighton Kirkus Reviews

Deighton returns to his longtime avocation of military history--here, by focusing on the early years of WW II. Unfortunately, the result shows precious little evidence of original research, let alone fresh perspectives.
