### **A Philosophy of Walking PEN America**

Walking as an expression of anger, of empty decision. Taking to the road always means departing: leaving behind. In departures on foot there is always something final which is lacking from other forms of transport that make it possible to turn back, where nothing is irreversible.

### **A Philosophy of Walking by Fr d ric Gros Times Higher**

Walking is an engagement with gravity: a perpetual rising and sinking down of the foot, testing itself against the earth. It offers a model of deep balance, by contrast with the shallow sense of connection available to the person hunched over his or her computer.
