Rigid Heddle Loom Weaving Ultimate Guide Interweave

In the eBook Best of Handwoven: Rigid Heddle Pattern Book #1 you ll find some of the best rigid-heddle weaving projects by Betty Linn Davenport from the first twenty years of Handwoven. The eBook includes instructions for 10 beautiful rigid-heddle weaving projects using Bronson lace, petit-point, warp-float stripes, and other rigid-heddle loom patterns and techniques to create surprisingly complex cloth.

Hands on Rigid Heddle Weaving Hands on S Betty Linn

The book is a good resource, however, if you want to read more on looms and drafting basics and other reference information on rigid heddle weaving. If you want to teach yourself to weave and have a clearer guide to weaving, I'd recommend the Jane Patrick book instead.

Hands on Rigid Heddle Weaving by Betty Linn Davenport

Good basic instruction on rigid heddle weaving. Like all books of this sort, you will never find explanations for every situation, but it covers everything when getting started. It also serves as a good reference. The examples

given for samplers and projects are fine. However, I am not a fan of garments made from hand-weaving.

Beka Beginners Rigid Heddle Loom The Woolery

Good companions for this loom are the book "Hands on Rigid Heddle Weaving", the video "Rigid Heddle Weaving", the Schacht or Leclerc Warping Pegs and a tube or two of Maysville cotton warp. Please note that in normal use, you may find it difficult to do direct-warping on a Beka loom, as the heddle blocks do not have a neutral position to hold
